St. Josephine Bakhita

Born in Darfur, Sudan around 1869, she was kidnapped and sold into slavery. Her captors gave her the name Bakhita, meaning "fortunate." After several years of serving under cruel masters, she was bought by Augusto Michieli. The Michielis sent Bakhita with their daughter to Italy, where Bakhita encountered Catholicism. Overjoyed, she was baptized and took the name Josephine. In 1893, instead of returning to Africa with the Michielis, she entered the Institute of St. Magdalene of Canossa.

Pope's three-point approach to Confession.

Instead of dreading seeking the Sacrament of Penance and Reconciliation (Confession), Pope Francis suggested we look at it as "the Sacrament of the tenderness of God, His way of embracing us." Follow the Pope's three-point approach to the Sacrament:

What's my intention? Rather than an obligation, consider the Sacrament a fresh start. Firmly resolve, from this moment forward, to give up the activities or behaviors that separate you from God. The firm resolution to change is key to receiving absolution effectively.

Are there loose ends? Unconfessed sin creates distance between us and God. Make sure you have not withheld mortal sins in prior Confessions, either intentionally or accidentally. If you become aware that you have, confess them and leave the confessional a new man or woman.

Have I completed the assigned penance? The Sacrament is meant to change us. Purposefully make amends and continue your resolutions to realign your life to the Gospel. Seeking Reconciliation often and staying in a state of grace helps us become holier people of God.

"The smile on my face doesn't mean my life is perfect. It means I appreciate what I have and what I have been blessed with. I choose to be happy." *via Fr. Joseph C. Mol*
